Superintendent's Highlights

The Preston School District has made a great effort to improve the image of its grounds. We have purchased new mowers, installed new sprinkler systems and hired additional people to help make this a reality. We are also in the process of completing a new baseball and softball quad.

The success of our high school Acadeca team has really been a great highlight for us. They won the state competition against all schools for the second year. Then placed 6th National in the overall competition in Anchorage, Alaska in April.

The Kindergarten reading program showed great progress as measured by the IRI.

Oakwood Elementary Physical Ed Program under the direction of Debra Wilson won the State first place award for being the most physically fit school in the state of Idaho.

Franklin County Alternative High School completed their second year of operation with 35 graduates making 55 the total number in the two year period.
